I'm putting PDF copies of all these emails up on my website. It's a repository for anyone with the link, so they can go back and read what I send out. You're welcome to not only use the link yourself, but to pass it along to people you feel would benefit from the information in my emails. The link is -

I hope the emails enlighten and entertain you.

I'm always striving to improve

Many people mistrust hypnosis, mainly because they don't understand it. It is **NOT** anything nefarious. It's simply a state of deep relaxation and focus. Yes, you can make people cluck like a chicken, but only if they *want* to submit to something like that.

I've been using hypnosis sessions by British hypnotherapist Rick Smith for several years. Like washing, these sessions only work if you use them repeatedly.

Rick has agreed to offer my email recipients a 50% off code for their first purchase. No limit! But here's my suggestion. He bundles certain audio sessions together, and offers them at a discount. For your very first purchase, I would suggest you visit this page:

Read about his Motivation Code session. Then, scroll down to near the bottom of the page. You're looking for a 3-session bundle, which includes the **Motivation**

Code, Do It Now, and How to Win at Everything. It's \$25 US, but with the code below, you can get it all three sessions (plus a bonus "Intro to Hypnosis" session) for \$12.50 . I suggest the Intro sessions first, then the the Motivation Code, followed by Do It Now, and finally, Win at Everything.

Rick has many helpful programs for controlling bad habits, weight control, sleeping. . . you're welcome to browse them all. But I strongly recommend this 3-session set, at a minimum. If you listen to one clip per day, it'll take you a couple weeks. I recommend listening to the same clip several times in a row - either in one day, or over several days.

NOTE: I don't get *anything* from sending you to Rick's site! I'm not an affiliate, and I won't see a dime of your money. I just believe in Rick and his work strongly enough to recommend him

When you're ready to check out, enter this code for 50% off your first order:

So, I promised to tell you a little more about myself. This one's a combination of professional and personal -

One of my clients is also my favorite charity. I run the marketing (and some of the fundraising) for a small cat rescue and rehoming organization called KittyCorner of CNY, Inc. It's run by two sisters, Linda & Deb Young, from their location in Liverpool, NY. That's a suburb of Syracuse, hence the CNY (Central New York) in their name. We've gotten our last 4 cats from KittyCorner, and they've helped thousands of kitties over their almost 35 years in business. More importantly, they've matched hundreds of families with "furr-ever" adoptions. You can find out more about them at KittyCorner.org . If you love cats, and want to help the sisters out, there's a donation link at the bottom of the front page!

Thanks for joining me. I hope you find our emails thoughtful and actionable.

Until next time, be well and stay healthy & happy!

Very best,

Scott Gardner
